

Hy-Max Back-Up Rings

PTFE

Hy-Max PTFE back-up rings are now available off the shelf in virtually every imperial size, with non-stocked sizes made to order overnight.

Hy-Max PTFE back-up rings are all machined from 100% virgin material, and by dealing direct with our specialised PTFE factory, they are now on average **80% cheaper!**

0xx, 1xx, and 2xx series are 1.3mm thick, 3xx and 4xx series are 1.75mm thick.
See over the page for the full size and stock chart

Pacific Seals proudly stands behind every Hy-Max product, our exclusive brand.

Exclusively distributed by
